Piero Pizzi Cannella “Fontana ferma”

Opening Wednesday 23 May 2007 at 19.00

Until 23 September 2007

Curated by Lorenzo Benedetti

The Pastificio Cerere Foundation is glad to introduce a site specific project in its historical courtyard.

Pizzi Cannella, well-known artist belonged to "Gruppo di San Lorenzo" or "Scuola Romana di San Lorenzo" realizes for this event an installation entitled *Fontana Ferma*.

The final project of the work, a drawing on canvas composed by a groups of fountains like the ones in the courtyard, will be exposed inside the exhibition space of the Foundation.

The artist presents a plastic reinforced by incorporated fiberglass group of fountains which will be realized in bronze. The cone-shaped element provokes a strong impact on the surrounding area. The work of Pizzi Cannella gains a symbolic connotation typical of his own artistic universe. Considering art a matter of life and death he narrates figures realizing "what resists to any possible subtraction.
